RUDGlitsaRetarderQt	1qt

### Wood Flour Cement

Wood Flour Cement is designed to be mixed with fine edger dust to make crack filler to match the color of the floor being filled. Wood Flour Cement will accept stain, as does the wood, and is fast drying.

Pnum	Size
RUDWoodFlourCementGal	1gal

### Glitsa Touch-Up Aerosols

Glitsa Gold Seal Touch-Up Aerosols are the ideal touch-up products for small areas with light scratches. This product is most effective on areas of less than one square foot. Glitsa touch-up aerosols are intended to rejuvenate the surface appearance of small worn areas. For larger areas or areas with excessive wear, consult a professional.
